

CONTENTS OF BUNDLE-UP FOLDER

All files ©Mark DeKay.

Before playing game, users are advised to read the following sections of *Sun, Wind & Light*, 3rd edition:

- Navigation by Design Strategy Maps, pp. 27–37
- Bundles Explained, pp. 97–101
- Making Your Own Bundles, pp 103–107
- At least one of the nine bundle spreads (B1–B9) in the section Some Fundamental Bundles, pp. 108–193

Blank_Custom_Cards.pdf

For making one's own cards for custom strategies or those not included in *Sun, Wind & Light*. Print on cards double-sided.

Bundle_Capture_Form.pdf

For recording the bundle design results of the game.

Bundle-Up_Game_Board.pdf

Large format file. Print on a plotter on heavy paper and affix to a rigid board, such as foam core.

Bundle-Up_Instructions.pdf.

Formatted for making a double-sided booklet on 8.5 x 11 paper folded in half.

Level_Cards.pdf

Small cards for levels of complexity, used along the left side of the game board. Choose a range of three scales for a bundle, with the bundle itself operating at the largest fourth scale.

Strategy_Map_Poster.pdf

A large-format poster combining the three spreads of design strategy maps in *Sun, Wind & Light*, 3rd edition, printed volume, pages 32-37. See *Navigate_DesignStratMaps.pdf* (SWL3 pp. 26-37) for an explanation.

Strategy_Bundle_Cards_COLOR.pdf

Files for printing the bundle cards for the “fundamental bundles” found in *SWL3*. Print double-sided. Typically, these are printed on a sticky-back paper on a color laser or color ink jet printer and affixed to each side of a square beer coaster. They could also be affixed to any square piece of cardboard or chip board.

Strategy_Cards_BW.pdf

Files for printing the strategy cards. Print double-sided. Typically, these are printed on a sticky-back paper on a laser printer and affixed to each side of a square beer coaster. They could also be affixed to any square piece of cardboard or chip board.
